Mother's Girl.

There exists often a very beautiful companionship between the mother and her daughter. The intimacy is frank, free and sympathetic. But some day the mother feels as if something had chilled this intimacy. The child is silent and sad, and seems to shun her mother instead of seeking her.

This change very often occurs when the young girl is crossing the border line of womanhood. She is morbid, nervous, fearful, as she enters upon this new experience.

The use of Dr. Pierce's Favorite Prescription at such a time will do more than restore the normal balance of mind and body. It will establish the womanly function upon a basis of sound health, as well as improve the appetite, nourish the nerves, and promote the general physical health.

"Two years ago my daughter's health began to fail," writes Mrs. Dan Hall, of Broadhead, Green Co., Wis. "Everything that could be thought of was done to help her but it was of no use. When she began to complain she was quite stout; weighed 170—the picture of good health, until about the age of fourteen; then in six months she was as run down as a race horse. I felt I could not give her up as she was the only child I had, and I must say, Doctor, that only your 'Favorite Prescription' my daughter would have been in her grave today. When she had taken one-half bottle the natural function was established and we bought another one, making only two bottles in all, and she completely recovered. Since then she is as well as ever."

The Common Sense Medical Adviser, 1008 pages, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

MONSTER SHIP ARRIVES.—The new White Star line steamer Cedric, the largest ship ever built, arrived at New York yesterday on her maiden trip, across the ocean. She comes from the Belfast yards of Harland & Wolff, is 700 feet in length, 75 feet in breadth and 49 1/3 feet in depth. Her gross tonnage is of 21,000 tons and her displacement of 38,200 tons. She has two sets of quadruple expansion engines driving twin propellers. There are eight double-end steel boilers capable of working to a pressure of 210 pounds to the square inch, and the vessel is designed to attain a speed of about 17 knots at sea. She has nine decks, is built on the cellular double-bottom principle, and is so divided into numerous water-tight compartments, exceeding all official requirements, that a maximum of security is obtained. Later in the spring the Cedric will take her place in the weekly Friday service from Liverpool to New York, calling at Queenstown, with the Celtic, Cymric and the Arabic, the last named another large flyer, now nearing completion at Belfast. With the advent of the Cedric the White Star line has the distinction of possessing the two largest vessels in the world and the further distinction of owning 13 vessels exceeding 10,000 tons measurement each, the average of the 13 reaching the huge figures of 13,841 tons. This excludes the Teutonic and Majestic, which closely approximate 10,000 tons each, and the new steamship Arabic of 15,865 tons. With the Arabic there will be included in the White Star fleet of 28 vessels no less than 23 modern twin-screw steamships, all of the highest class.

PRINCE A CRIMINAL.—Sensational charges against Prince Philip of Sax-Coburg-Gotha, who is an Austrian field marshal and husband of the Princess Louise of Belgium, were made yesterday in the Austrian Reichsrath during the debate on the army bill by Herr Daszynski, the Polish leader. The latter denounced the Prince as a criminal. In his speech he referred to the imprisonment of the former lieutenant of hussars, Mattiasch, who eloped with the Princess Louise of Coburg several years ago and who was sentenced to four years' imprisonment last December for forgery. Herr Daszynski asserted that while in prison Mattiasch drew up a formal accusation, charging Prince Philip with forcing the Princess Louise, who was confined in an asylum for the insane near Dresden some time after her elopement, to encourage the advances of the late Baron Hirsch and with compelling her to ask the Baron for money.

TO ABSORB A RIVAL.—It is now said to be settled that the Southern Bell Telephone Company, which operates an exchange in Roanoke with long-distance connections, will absorb the Virginia and Tennessee Telephone Company, which has a large patronage at Roanoke and throughout Southwest Virginia. For more than a month representatives of each company have been taking an inventory, and it became an open secret yesterday that the deal would be consummated. Over \$250,000 is involved. The Virginia and Tennessee Company has lines to Buchanan, Blacksburg, Blue Ridge, Bristol, Bluefield, Christiansburg, Charlottesville, Fincastle, Gate City, Gordonsville, Salem, Hollins, Lexington, Radford, Lynchburg, Marion, Manchester, Pocahontas, Richmond, Shawsville, Staunton and about 200 other connections. The headquarters are at Pulaski, Va.

ONE CHILD KILLS ANOTHER.—After Dr. Daniel Jones and a friend, of Mayton, W. Va., had left home on a hunting trip Thursday, Charles, aged 13, and Daniel, aged 11, sons of Dr. Jones, asked their mother if they might go hunting, too. She said they might and they got from a shelf an old Colt's revolver, which their grandfather carried during the war. A bullet stuck in the pistol for many years and could not be extracted. Charles accidentally dropped the revolver on a chair and it was discharged, the bullet piercing his brother Daniel's heart, killing him instantly. Mrs. Jones, it is feared, may not recover from her grief.

AN EPIDEMIC OF SUICIDE.—A suicidal mania is said to exist in the village of Mole Hills, W. Va. In less than two years there has been an unusual number of tragedies. Mrs. Hammond, who had been in ill-health, committed suicide Thursday by drowning. About a year ago Ard Jones murdered his brother Creed and then committed suicide. Just before the Jones tragedy Enoch Riggs cut his throat from ear to ear, and this prompted Mrs. Riggs to hang herself. William Rowe then hanged himself, and Harrison Thorp committed suicide just before the death of Ard Jones. Miss Kitty Stull, a handsome girl, also took her life.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:

- (1) Relieves the cough.
- (2) Removes the irritating mucus.
- (3) Cuts out the phlegm.
- (4) Draws out the inflammation.

CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty live, 'dead' woman. One Minute Cough Cure saved me." Mary F. Sullivan, Grand Rapids, Mich.
